SUMMER COLDS AND THEIR CURE.

"Summer Colds," says a noted physician, "should not be neglected for they are the forerunners of consumption." At the first sign of a cough or cold in summer, take a few doses of Indian Tar Balsam, the scien tific cure for all diseases of the threat and lungs. Thousands have tested it and know its merits. The remarkable success of this preparsition is due entirely to its ability to cure Coughs, Colds, Sore threats, Broachitis Diphtheria, Pneumonia, Croup, Whooping Cough, Pleurov and Consumption in early stages. Ask for INDIAS TA BALSAM and ser that you get it. Don't accept any other tar balsamer balsamet are they are frauds. The genuine for sale by druggists and country merchants every where at 25 cents the bottle. It's guaranteed.
